Incentive Positions: LLP is committed to promoting participation from all areas of La Plata County. With this in mind, we offer two “Incentive Positions” specifically for residents of areas outside the City of Durango, including Allison, Ignacio, Vallecito, Bayfield, Hesperus, unincorporated areas of the county, and the Southern Ute Indian Reservation. These areas are under-represented in our LLP alumni, and we hope to change that in time. To encourage applicants from under-represented areas to apply to LLP and promote a greater geographical diversity of class members each year, the tuition fee for these incentive positions will be reduced by \$200, respectively. If you are interested in applying for one of our “Incentive Positions,” please indicate this by checking the appropriate box on the first page and provide the necessary information. Applicants who reside outside of La Plata County are not eligible for Incentive Positions.

Financial Assistance: LLP is also committed to ensuring that financial constraints are not a limiting factor for any applicant no matter where they live in La Plata County. If accepted into the program, an application for financial assistance may be requested. No matter where you live in La Plata County, you may apply for financial assistance. Applicants who reside outside of La Plata County are not eligible for financial assistance.
